RASH OF US VISA DENIALS SWEEP COUNTRY

Unbelievably, Boy George has been denied a US Visa! Millions of his adoring fans may miss out on concerts in July and August unless a massive grass roots protest occurs. Says George, "Do they really want to hurt me? Do they really want to make me cry?" After George bravely came out of the closet concerning the ill treatment he's been put through a number of other celebrities also pointed out how they too had been shockingly denied US. Visas. Other vamps like Bella Lugosi and Liberace felt that being deceased was no reason to deny them a Visa when other brain-dead men like John McCain could travel freely throughout the world.

Underdog said his Visa was denied because he refused to allow his super energy pill to be analyzed for steroids. The colorful snaggletooth's only comment on being denied a Visa was, "suffering succotash! CNN, ABC, NBC, FOX, and the Cartoon Network have all vowed to provide continuous coverage of this shocking story until the our leaders put an end to this blatant discrimination.

ONE ARMED MAN TAKES ON COW WITH TWO NOSES

After ripping off his arm and beating an alligator to death with it to acquire the valuable hide for some new boots, man claims his next battle will be a UFC pay per view called "The Chips are Down". Alligator man as he's been dubbed by Wuss Blitzer on DPN vows that no body part is sacred in the beating of this sacred cow.

In other news, 4th amendment blotted out today as Senate debates which bread is best at Subway restaurants. President Bush declares that the end of the Constitution will usher in a new era of freedoms for average Americans. Don Imus declared himself incapable of prejudice as he is in fact of African-American

decent. Upon hearing Don Imus's claim, Dick Cheney immediately declared Imus a blood relative 8 times removed. In a separate press conference, Mary Cheney, daughter of Dick claims that her VISA has been revoked as well.
